

Deckerville Veterinary Clinic 7th. Annual Client Appreciation Picnic

Bring your family & farm assistants for lunch on us. We will be serving rib eye steak sandwiches, bratwursts, hot dogs, a variety of side dishes and desserts. Beverages are provided. Picnic under a pavilion so don't let

Date: July 10, 2008
Time: 11:00 am ~ 2:00 pm
Location: Wilson Park
1/2 mile south of the light in Deckerville, east side

Welcome.....Dr. Michelle Borek DVM

We would like to take this opportunity to introduce you to the newest member of our veterinary team. Dr. Michelle Borek is a 2008 graduate of Cornell University College of Veterinary Medicine. Graduating locally from Marlette High School in 2000, Michelle and her family lived on a small farm in the Clifford area. After graduating from Aquinas College in Grand Rapids, she traveled to Europe. During veterinary school Michelle traveled throughout the Northeast, Canada, and the Netherlands learning about dairy management styles. She enjoys running, biking, horseback riding, athletics, and traveling. Dr. Borek is interested in all animal species and is very excited to be a member of the Deckerville Veterinary Team.

You may have seen Michelle before. She has rode with our large animal veterinarians periodically over the past few months. Michelle will be working in all areas of our practice including emergency work. Michelle will be at our picnic, come join us and meet our newest member.

Phone System Reminders

With the recent changes to our phone system we lost the option of having caller ID, please be sure to leave your name & phone number. If you have not heard from anyone within a half hour please call back. You should get a call within 30-40 minutes. Your call is important to us.

Have a safe and hopefully dry 4th of July!
